

## Introduction

The Dutch National Jamboree 2020 is an event during summer that lasts nine days, replacing summer camp for most groups. Together with other groups from inside, and outside of the Netherlands, you and your section will camp in one of the subcamps on the International Scout and Guide Center Scouting Estate Zeewolde. The program is filled with big, interesting and awesome activities. Taking part in this camp will be something you will always remember.

If your country accepts other ages for a scout section, you are allowed to attend the Dutch National Jamboree, but you have to be aware of these ages in The Netherlands.
- b. Participation is only possible with a section, and sections can not have participants from mixed age groups. This is because each section will camp in different places.
- c. A section consists of youth participants and leaders. All leaders have to have the minimum age requirements of scouts: 18 years old.
- d. The guidelines handled for the leader – youth participants ratio is 1 to 6 for scouts sections, with a minimum of two leaders per section.
- e. The leaders attending are expected, next to taking care of their sections, to make some time available to help with tasks that support the organization and activities of the camp. Before the start of the Jamboree, the attending leaders will be sent details regarding what is expected of them.
